We hope that everyone enjoyed meeting a few new neighbours. The evening offered a quiet and relaxing interlude to a rather crazy week on the international news front! We hope that you might come along to our next event, but in the meantime if you have any suggestions for future events please do be in touch.

## Fun and Games

### The Big Get Together September 2014

This event was a great success. More than 200 of us mingled on the playing fields, Kevin from the Park Tavern did a fantastic job on the BBQ, and everyone enjoyed the delicious salads provided by many residents.

Under the gazebo the musicians, many local, entertained us throughout the day with a wonderful variety of music and kept us all smiling, and it was a great opportunity for some of the youngsters to show their talent. We congratulate too the kids on their "bake off" - some real pastry chefs in the making! The rounders games brought out great aptitude, tenacity, and enthusiasm, but mostly hilarity for the spectators. There was no obvious winning team, but Bob Luxa definitely came off worst, launching himself into the brambles to secure a catch!

The raffle was obviously popular, and we are very grateful to the many local businesses who contributed to it.

## **Poppies Campaign 2014**

### **The Remembrance Poppies**

A considerable number of residents responded to the appeal to plant or tend Flanders poppies in remembrance of all those who fought and fell in the 1914-1918 War.

Annette Denny, who initiated the project, says it was "very pleasing to be stopped, congratulated and comple-mented on the project, and not only by locals; people passing through in cars were seen to slow down and photograph the verges...". So an important job well done.

The Council's contractors, Quadron have now re-seeded the green and the verges, to restore the grass. We would like to express once again our appreciation of their and the Council's co-operation in the project, and thank all those residents who helped to make it such a success.
