Under its constitution, SGCARA's Purpose is "to promote and assist the preservation, conservation, protection, enhancement and improvement of the area together with the amenities available to it, and to discourage anything which would tend to be detrimental to the area or its amenities". SGCARA is non-party political. SGCARA works for all residents of the area, whether paid-up members or not.

SGCARA's activities, organised through SGCARA's Committee, with other volunteers, include: monitoring, advocating & liaising with appropriate authorities on local planning, traffic, parking, transport, safety & policing, & environmental issues; Also consulting, publishing & distributing information to residents through newsletters & electronic communication, meetings & social activities.
